

## **200 PA positions available in the English NHS - apply now!**

The National Physician Associate Expansion Programme (NPAEP) in England is seeking 200 Physician Assistants/Associates (PAs) to work in the English National Health Service (NHS) for a period of one to two years. Positions are available in a range of clinical specialties in over 40 host organisations across North West England, East Midlands, Yorkshire, Humber and Newcastle, and North West London.

If you are a PA with significant clinical experience, this is an exciting opportunity to live and work in the UK and to use and develop your skills in clinical excellence and leadership in an internationally acclaimed healthcare system. PAs are seen as a crucial part of England's future healthcare workforce and the NHS will benefit from the input of experienced PAs to help embed the profession.

- Salary: £50,000 annual salary
- Up to £1,000 towards relocation
- 33 days of paid vacation leave in addition to 8 public bank holiday days which do not count towards vacation entitlement
- Generous time for professional development, including leadership development
